Annual membership subscription is £20, or £5 per quarter pro-rata.

Associate – this category is open to any person who has reached a minimum level of Tera-Mai™ Reiki 1 and has satisfactorily completed a TMUKS membership form, along with documentary evidence of relevant certification, and agreed to pay the annual subscription thereof. This entitles the Associate member to all developmental literature and other such information sent out from time to time, as well as the use of the official Tera-Mai™ UK Society logo for use on any stationary or promotional material. Associate members have non-voting status. Annual membership/subscription cost is £30, or £7.50 per quarter pro-rata.

Practitioner – this level is aimed at practitioners/master teachers of the Tera-Mai™ School of Healing Arts who have satisfactorily submitted a TMUKS membership application form, along with documentary evidence of relevant certification, and agreed to pay the annual subscription thereof. This category currently requires annual proof of Public Liability and Professional Indemnity insurance, or applicants may take advantage of any insurance cover arranged through any TMUKS block scheme (if available).

In addition to the benefits of Associate membership, this level provides inclusion in the practitioner listings, the use of the title "Tera-Mai™ UK Society Member" or the acronym "TMUKS" and the use of the official Tera-Mai™ UK Society logo on any stationery or promotional material. Practitioner members have voting status. Annual membership/subscription cost is £40, or £10 per quarter pro-rata.

A **concessionary rate** of 50% is available to Friends and Associate members who are not in current paid employment.

NOTE: Anyone who have not been re-initiated by a properly re-initiated Tera-Mai™ Master following the discovery of errors in the former manuals in May 2010, cannot legally use the Tera-Mai™ trademark or name. If they knowingly continue to do so, then they are contravening trademark law and are subject to heavy fines. For more information on this subject please refer to the TMUKS website and follow the link/information regarding re-initiations.

The Executive Committee has the discretion to set any additional requirements and conditions and create categories of membership that it may deem necessary. The Executive Committee shall not be required to state its reasons if, in its discretion, it rejects or defers an application for membership or offers membership in a different category.

In the event of an applicant not being accepted into membership any fees paid in advance shall be refunded. If membership is terminated during the annual membership then fees collected are non-refundable.

Tera-Mai healers/practitioners are entitled to call or refer to themselves as Reiki healers by virtue of their Reiki lineage which goes back through Kathleen Ann Milner to Iris Ishikuro, Hawayo Takata, Churjiro Hayashi, and Mikao Usui.

If a Tera-Mai Sakara Master is refused membership, then Kathleen Milner has agreed to waiver THAT PART ONLY of the person's contract that relates to the requirement for membership of a national Tera-Mai Association.

Membership shall terminate if:

- a. Any membership fee or subscription is not paid within one (1) month of the due date.
- b. The member resigns from membership by notice in writing sent to the Executive Committee at its central office or such other address as the Executive Committee may prescribe.
- c. After due enquiry the Executive Committee withdraws membership for which decision no reason need be given, provided that the person concerned shall have the right to attend and be heard by the Executive Committee before a final decision is taken.
